ANNOUNCEMENT

HKMB is pleased to announce that Kelly Parker has joined our Toronto office as Vice President and Practice Leader, HKMB Surety Solutions. Kelly joins our national construction practice and assumes full responsibility for our surety relationships firm wide.

Kelly has over 20 years of experience in the surety industry in Toronto and Calgary. Just prior to joining HKMB she was the National Construction Industry Practice Leader for a national broker. Kelly serves on the Board of Directors of the Canadian Construction Association.

Construction insurance, risk management, and surety are a growing part of HKMB's commercial business. Kelly's addition to the team will enhance our provision of comprehensive and collaborative risk and insurance services to Canada's construction industry.
